Mario Alcaraz Fuentes

SOFTWARE ENGINEERING

👤 About me

Computer Science student majoring in **Software Development**. Currently at University of Alicante studing at a **High Performance Group** where **most of the subjects are given in english**.

Furthermore, I did a **scholarship in Prague**, at the Czech Technical University (CVUT) where I continue improving my english and engineering knowledge

Highly interested in Software, Data Science, Artificial Inteligent, Blockchain, Cybersecurity and so on.

High English level. Native Spanish, Catalán, Valenciano.

🎓 University education

Computer Science, Universidad de Alicante, Alicante

SEPTEMBER 2019 — JUNE 2023

High Performance Group. Most subjects given in english

Ingeniería informática, Czech Technical University of Prague, Prague

SEPTEMBER 2021 — FEBRUARY 2022

Erasmus+ scholarship

- High knowledge on **Java** y **C++**
- Knowledge on **C#, C, Python, Swift**
- Knowledge on **Data Structure** and **algorithmics**
- Knowledge on **Web Development (HTML CSS ASPNET)**
- Knowledge on **Databases**
